

WHY YOU SHOULD BECOME INVOLVED

ABATE of Virginia believes that measures such as rider education and driver awareness programs will reduce the incidence of crashes involving motorcyclists and have far greater potential for reducing injuries and deaths than laws mandating the use of particular safety equipment.

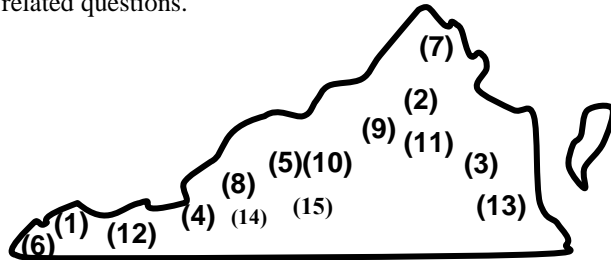

Preserve your freedom to ride a motorcycle, on and off road, today and into the future.

Meet other motorcycle enthusiasts in your community and gain personal satisfaction by joining them to promote motorcycling through participation at State and Chapter meetings, meeting with Virginia legislators and local officials, chapter rides, rallies, benefit rides, bike shows, etc.

Learn how to affect the laws and potential laws that govern us.

Receive an American Income Life (AIL) \$2,500 accidental death and dismemberment policy.

Direct access to an affiliated law group for motorcycle-related questions.

MISSION STATEMENT

ABATE (A Brotherhood Against Totalitarian Enactments) of Virginia, Inc. is a motorcyclists' rights organization dedicated to the continued preservation of freedom of the road for all motorcyclists in the Commonwealth of Virginia. We will endeavor to promote safe riding practices through rider education and public awareness programs; to involve ourselves in the legislative process, therefore giving Virginia motorcyclists a strong advocacy before state and federal legislators; to expand our membership base and promote our organization on a continual basis and to maintain a strong financial base necessary to achieve the goals of our membership.

ABATE of Virginia works with the following organizations:

- American Motorcyclist Association (AMA)**
- Motorcycle Riders Foundation (MRF)**
- National Coalition of Motorcyclists (NCOM)**
- Virginia Bikers Association (VABA)**
- Virginia Coalition of Motorcyclists (VCOM)**

You, as an individual and voting citizen, can help in our fight to amend or repeal any motorcyclist legislation within Virginia and on the Federal level. The majority of politicians know nothing about motorcycling. We need to unite with common goals and educate our lawmakers from a position of strength and in a dignified manner.
